To Whom this may concern,

This letter is in reference to Marco Gualotuna. He was an employee of South Bay Gymnastics Sport Complex for several years as a Gymnastics Instructor .

During his time with South Bay Gymnastics, Marcos dedication to the students was of the highest quality and caring.

I would recommend Marco for any appropriate position you have available, without the slightest reservation. He would be an asset to any company.

Thank you for your time.

Best Regards

Jerry Jackson / Program Director
