**November 6, 2012**

**To whom it may concern:**

**I am the owner and director of ICMAG at Gardena. Mr. Marco Gualotuña is managing the gym and some of his duties are to write the curricular lesson plans to be thought on daily basis. During this time I see an improvement in enrollment and the running of the classes, his dedication is the highest quality I have seen, and his knowledge is vast and extensive. I would recommend Mr. Marco for any an appropriate position in sports, Mr. Marco has been a valuable asset to my company.**

**Sincerely,**

**Jeff Chung / Owner Director**
